## PLAN PROSECUTIONS **UNDER BARREL ACT**

With a view of prosecuting willful violators of the standard barrel act. plans are being made by the office of the superintendent of weights, measures, and markets for inspection of the commission houses, groceries, markets, and all places where dry commodities

are sold in this form.

The act, which went into effect July
1, provides that the standard barrel for
fruits, vegetables, and other dry commodities other than cranberries shall be modities other than cranberries shall be of the folowing dimensions: Length of stave, 28½ inches; diameter of heads, 17½ inches; distance between heads, 26 inches; circumstances of bulge, 64

inches; circumstances of bulgo, 64 finches; outside measurement; and the thickness of staves not greater than four-tenths of an inch.

It is provided that any barrel of different form having a capacity of 7,066 cubic inches shall be accepted as a standard barrel.

Wilful violation of the act is punishable by a fine of not to exceed \$500 or imprisonment not to exceed six months.
